

Dear Rite Care Parents,

My name is Christy Pack and my son Kellen is a client with Jackie at RiteCare. When my son was diagnosed with language delays at the age of three my world began to feel a little crazy. I was spending all my extra time researching services, talking to pediatricians and friends, and trying to figure out what to do next.

At a preschool event for my daughter I was talking about Kellen's challenges with another father, who is a Mason. He informed me of RiteCare, and I began my research, sent in my paperwork, talked with Jackie on the phone, had Kellen's assessment and eventually got him on Jackie's calendar. Every step of the way gave me a little more of my crazy life back. Out of the offices of RiteCare a shining light of hope gave me confidence that we were headed in the right direction. After almost a year, my opinion has only gotten stronger. Kellen's language has grown tremendously and I know that RiteCare is the reason.

As a RiteCare parent, we are only asked to get our children to therapy and back. I have always felt that this service was so generous that I immediately wanted to volunteer to help with the First Annual Beyond Words Breakfast. I know that this event provides funds to continue the wonderful services that RiteCare provides for free.

I am asking you, as a RiteCare parent, to sponsor a table. Since guests are invited to join us at no cost to them (they are encouraged to make a suggested donation at the event) your job as a sponsor is to ask 8-10 people to join you, for this wonderful event in support of our children, and to be their host for the morning. I have invited my sister, the Mason friend who introduced me to RiteCare, co-workers, as well as my neighbors and family that support Kellen daily with his struggles with language. It will be very interesting and informative for everyone. Please help us make this event a success!

As you begin to create your guest list make sure that you have their correct mailing address. I will follow up with another e-mail giving you the opportunity to pass these addresses to the Event Planners so that invitation can be mailed to your guest. Please mark your calendar for Tuesday October 26<sup>th</sup>, 7:30 AM, 2010 for The First Annual Beyond Words Breakfast.

Thank you,  
Christy Pack
