

RiteCare of Washington is a non-profit program funded solely by generous donations from people like you. Thanks to these donations, we are able to provide free speech therapy to families throughout the state of Washington. Free parent education classes are also a benefit of our program. By teaching parents valuable speech and language development skills, we can help ease the challenge of raising a child who struggles to be understood.

Speech delays affect a child's ability to communicate clearly. Not being understood by others can be devastating socially and emotionally to these individuals, at an age when their self image and confidence defines who they will become later in life. Children with speech delays may also have a difficult time learning to read and write. Early intervention and extensive speech therapy is the key to making a life long difference in these children's lives.

You may contact Heidi Fray, Executive Director, if you have any questions about the RiteCare of Washington speech program. She can be reached at 206.324.6293 or hfray@ritecarewa.org. Heidi will happily accept your donations on behalf of RiteCare of Washington.

wine dine donate

wine ... dine ... donate

We invite you to host a special gathering to raise money for RiteCare of Washington. It's a win-win situation — share good food with good company and collect a generous donation for a fantastic cause.

Use “Evite” for online invitations, mail your own personal invites, or just ask — we can supply invitation cards and envelopes for you to use with our logo on them. Hosts will receive RiteCare of Washington donation envelopes which make giving easy, along with additional Wine, Dine and Donate brochures to provide for your guests during the event. Pledges to RiteCare of Washington can be made via check, Visa, Mastercard, or American Express. The donation envelopes are pre-addressed to RiteCare of Washington for your convenience. We welcome you to send donation forms and brochures out to all of your friends, family and colleagues even if they are unable to attend your fun-filled event. Perhaps they will host their own fundraiser in honor of helping children gain the skills to communicate. Our goal is to let people in our communities know that they can make a difference for children living with speech and communication challenges.

And your guests will all be happy to know that RiteCare of Washington provides a receipt for their tax-deductible donation.

Sample menus are available for you to choose from, or create your own. Here's a few suggestions for party themes:

- Soup night
- Tea party
- Brunch
- Dessert extravaganza
- Fondue (chocolate/cheese)
- Wine and cheese
- Pancake breakfast
- Spaghetti feed
- Mystery meal
- Chocolate tasting

You could also ask a local restaurant to sponsor a gathering. Invite your guests to meet you there to dine, then at the end of the meal, a portion of the profits is donated to RiteCare of Washington.

And don't feel confined to hosting a dinner party just for adults. Consider organizing a parent's night out, where you charge a fee and donate proceeds to RiteCare of Washington. Themes could be set: Royal Tea Party, pizza, popcorn and a movie, or game night, a day hike and picnic in the park, scavenger hunts, etc. The possibilities for the party are endless.

The idea is to have fun and raise some money for an important cause that is often overlooked.

We will provide as much help as you need to make your party a success for RiteCare of Washington. Contact us at events@ritecarewa.org for assistance.
