

2nd Annual Fundraising Breakfast

October 25, 2011 from 7:30 to 8:30 a.m.

At the Seattle Scottish Rite Masonic Center

Just as RiteCare of Washington benefits from strong partnerships with companies, companies also benefit when they are highly engaged with local nonprofits. Research shows employees have a more positive image of companies that support the community. Customers are also more loyal to businesses that support social issues. A strategic partnership with RiteCare of Washington provides high-profile exposure to top community leaders and families.

RiteCare of Washington has been serving children in Seattle for 26 years. A sponsorship with us is a win-win opportunity to enhance your company's image and double the impact of your charitable contribution.

Can we count on you?

Our kids thank you!

The question is not whether we can afford to invest in every child; it is whether we can afford not to.
